Mrs. Feine as defendant, but Wee Amreline did all the talking. Her mother was simply charged by Policeman Joseph Whale with violation of the compulsory education law.

Where is your daughter?" asked Magistrate Harris, never for an instant suspecting that the small person with the pyramidal colffure was Angeline.
"Here I am." spoke up Miss Feine, stepping forward with a sweep of her train and a coquettieh jab at the puffe that overflowed her left ear.

"And are you only fourteen?" gasped "That's all," replied Angeline, frowning with great severity, "and it is ab-solutely impossible for me to go to Psychology of the Masher." school. You see, I am almost engaged, Your Henor, and under such circumstances I simply cannot give up the

"Almor: engaged?" cried His Honor, fairly whistling with amazement.

Mother Agreed With Her. That's it, Judge. It's only a question of a short time before he'll ask me. He is getting closer to it every day and it's up to me to keep his mind on it. I knew I'm going to get him and I want him. Just put yourself in my place. Your Honor, and you'll see that school is no place for me now.

while Magistrate Harris undid his cot-far and took several long gasps.

Patrolman Whale, who had stood by theirs. without a smile, notwithstanding that several speciators were in spasms, told Wee Angeline to step aside and brought on the next case, that of Mrs. Raphael

was charged with falling to send her daughter, Angelina, to school.

"I hope," said Magistrate Harris to the second little girl, who was not attired in such grown-up magnificence. "that you are not almost engaged."
"No, indeed," sniffed Angelina, "Twe got no use for boys and their silly nonsense. I have to stay from school to help nurse my father, who is ill. As to hearing: "Oh how clever of you!" or learning the mussed up Mg. Stein. Incidentally he arrested Jacob Zucker of No. 15 Riverdate avenue and locked him that you are not almost engaged."

New York is a City of Fat Women!

Happy Hunting Ground of the Masher And the Home of the "Female Bluff,"

Priscilla Knowles Declares That From Twenty-third Street to Fifty-ninth Stretches the Region of Dead Emotions, Arid Play Grounds of the Semi-Detached.

California Actress Who Has Reached Broadway Proves Harsh Critic of the City, Long the Goal of Her Professional Ambition.

BY NIXOLA GREELEY-SMITH.

"New York is a city of fat women and fatuous men. It is the happy hunting ground of the masher and the home of the female bluff.

"The professional woman looks toward New York as the Mahometan looks toward Mecca, but when she gets here the first thing she realizes is that in New York it's a crime for her to have a husband and a capital offense for her to love him.

"New York's heart is in Harlem or below Four teenth street. Between those sections of the city, and more particularly from Twenty-third to Fifty-ninth street, stretches the region of dead emotions the

arid playground of the semi-detached." Bend your backs to the lash, New Yorkers! Lower your heads to the Little Dorritt before Little Dorritt got storm which comes from the direction of a young woman from California. who admits, nevertheless, that her life's ambition has been to reach our
